

BALTIC SEA FESTIVAL

6TH EDITION 2026

ECKERNFÖRDE KIEL GERMANY 29.05.2026 - 31.05.2026

INVITATION / EVENT ANNOUNCEMENT

We are delighted to welcome you for the 6th Baltic Sea Festival in 2026, the largest ocean sports festival in Germany.

The event will take place from 29 May to 31 May 2026 in Schwedeneck, at Grönwohld Camping Park and, of course, on the Baltic Sea.

All seaworthy boats powered exclusively by muscle strength and paddles are eligible to participate. The races are open to paddling athletes of all nations.

We aim to exclude no one and therefore offer all possible options for different paddling preferences. We continuously strive to improve this event based on your wishes and suggestions. However, paddling will always remain the central focus.

Our event location is the well-equipped and family-friendly Grönwohld Camping Park. With townhouses, caravans and plenty of other camping spaces, it offers the ideal combination of accommodation and sport.

A festival area with a large marquee and exhibition spaces for SUP, surfski and outrigger exhibitors will be available, inviting visitors to watch, exchange ideas and talk shop.

It is important to us that everyone can attend this event in the way that suits them best. Especially for families, this weekend is well worth the trip. The passion for paddling can be shared with young and old, women and men alike. So feel free to bring the whole family and enjoy a fantastic weekend with your loved ones and friends.

COURSES [ZURÜCK](#) < Back

Team Boats

Due to high demand and the wish to race twice, team boats (two- and six-person boats) will be separated from small boats.

Important:

If you would like to paddle the downwind race on Saturday in a two- or six-person boat, this will be possible.

The Double and Va'a 6 boats will start on Friday, 29 May 2026 at 3:00 PM from Grönwohld Camping Park.

The exact course will be announced two days before the race.

A pure downwind race on Friday is excluded to minimize shuttle effort and maximize paddling enjoyment.

SUP Tech Race

A SUP Tech Race will take place on Friday, 29 May 2026, organized with the support of Martin Teichmann, in front of the southern beach of the campsite. This race offers variety and makes full use of the weekend. All SUP paddlers who also participate in any race on Saturday are eligible to take part in the TechRace. Both races are covered by a single entry fee. Those only interested in the traditional downwind race on Friday are also welcome.

Main Race

The main race will take place on Saturday, 30 May 2026, between 10:00 AM and 2:00 PM.

This requires a high level of discipline regarding the shuttle organization.

The race is open to all boat classes, from SUP to V6 / OC6.

Start locations:

- Eckernförde (South Beach), 24340 Eckernförde

Finish locations:

- Diving Site Kiel, Sports Beach, Am Deich 1, 24229 Strande
- Grönwohld Camping Park (Water Sports Beach)

As this is a downwind race, start and finish locations may be swapped depending on wind direction.

COURSES ZURÜCK

The main race course runs from South Beach Eckernförde, along the restricted area toward Kiel Lighthouse, and continues to Strande Sports Beach.

For the short track, the race ends near Grönwohld Camping Park.

The course always follows the coastline.

The restricted areas Lindhöft and Surendorf must be passed on the seaward side.

Near Dänisch-Nienhof, paddlers turn toward Bülk Lighthouse at the checkpoint.

Bülk Lighthouse must be rounded at the marked position, passing on the left and turning right.
