2. Baltic Sea Festival in Eckernförde

The "Baltic Sea Festival" will take place from May 20. until May 22nd, 2022 in Schwedeneck, on the Grönwohld Camping Platz and the Baltic Sea. All boats suitable for the high seas and with muscular strength and paddles are eligible to participate. The races are open to paddling sports enthusiasts of all nations. The starting field is limited to 300 boats, regardless of the paddling boat class.

Boat classes:

Welcome to the Oceansport Festival, we don't want to exclude anyone, so we will offer you all the options for your paddling preferences.

SUP, Surfski 1ér und 2ér, OC1 und OC2, Vaá 1ér und Vaá 6ér

All boat classes can be driven as female or male rating. Mixed scoring is possible in both the two and six (at least 2 women).

However, an individual rating is only possible if there are at least five boats starting in the respective boat class / rating!

New: A junior race will be held separately, which will be evaluated separately and given high-quality prizes. The aim should be to give Oceansport a platform for youngsters and to guarantee the clubs a safe environment for their first entry / sailing on the Baltic Sea. We will bring more detailed information in the course of time, as this race is supposed to be the starting signal for a bigger idea. Let yourself be surprised.

stretch:

The main race (profit track) will be held as a downwind over approx. 27 km on May 21, 2022. For juniors (15-18 years) and beginners there will be a shortened race of approx. 13 km (beginners track).

Start 1: Eckernförde (south beach) 24340 Eckernförde

Start 2: Eckernförde (south beach)

Goal 1: Diving place Kiel, Sportstrand, Am Deich 1, 24229 Strande

Goal 2: Grönwohld Camping (water sports beach)

Since the races are held as downwind races, the start and finish can be swapped due to the wind direction.

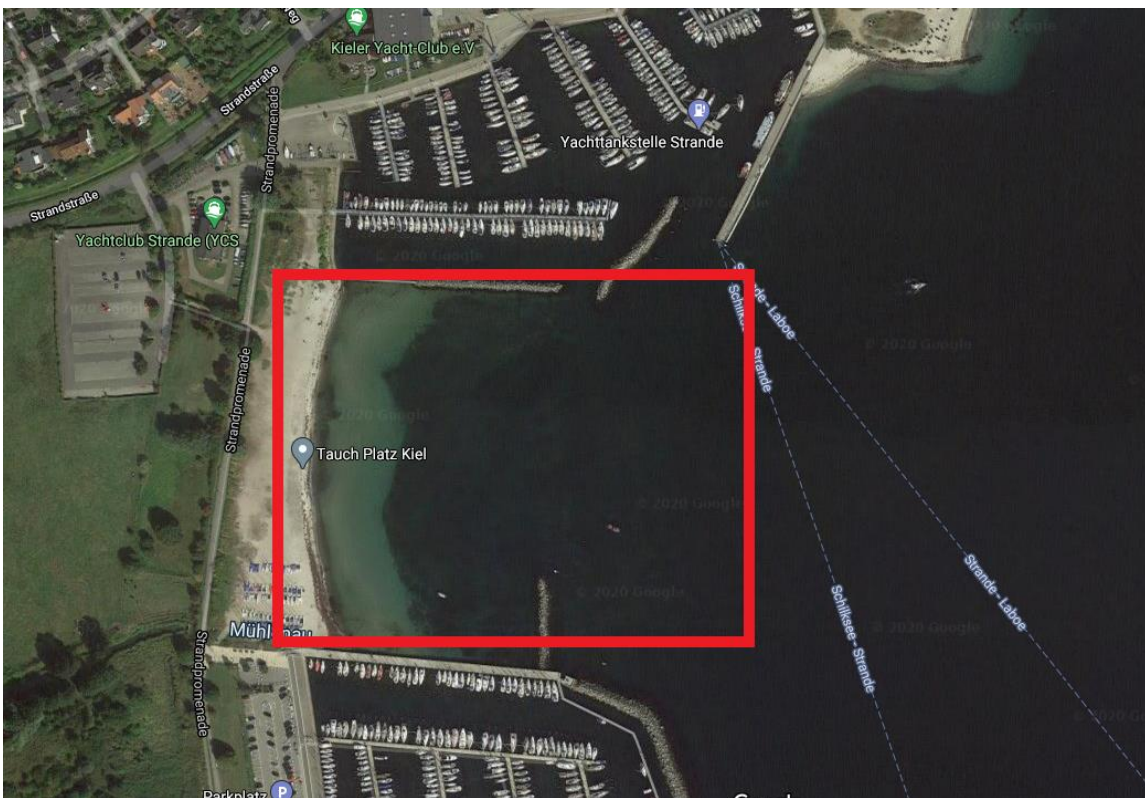

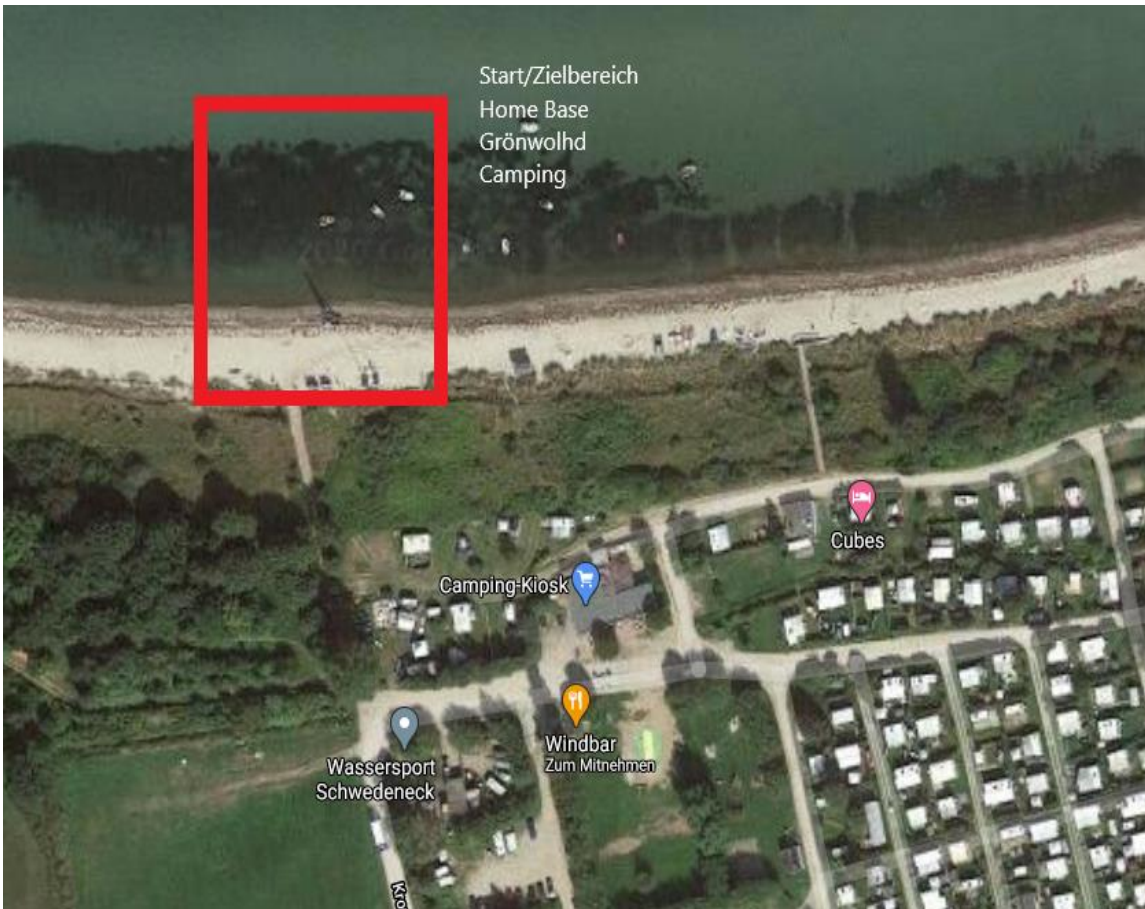

Route:

- The route goes from the south beach along the warning area in the direction of the Kiel lighthouse to the Strande sports beach. On the way, the race for the beginners ends at the Grönwohld Camping site.
- The route always runs along the coast.
- The restricted area Surendorf must be bypassed on the lake side.
- Before Dänisch - Nienhof, turn off at the marshal towards the Bülk lighthouse (checkpoint).
- The Bülk lighthouse is bypassed.

This route applies to southwest to north winds. In the case of wind from north to south-east, the route is driven in the opposite direction.

Route plan and navigation:

Schedule (provisional):

Friday May 20th, 2022

- Getting there
- 3pm first common downwind 12km
- Boat testing on site at Grönwohld Camping
- Booking option for Downwind Clinic (to be agreed in advance with the cracks)
- Joint evening and exchange of experiences as required on the festival site
- Registration for Saturday until 6 pm-9pm

Saturday May 21st, 2022

- 8:00 am to 10:00 am: Registration at the Grönwohld festival site
- 10:30 am: Race briefing for all participants (compulsory participation) at the Grönwohld festival site
- 11:30 am: Departure to the start
- 12:00 pm to 1:00 pm: unloading, moving vehicles, preparation for take-off
- from 1:00 pm check at the starting point
- 1:30 pm: Start of the 2nd Baltic Sea Race
- Depending on the number of entries, the junior race will be started separately
- from 4:00 p.m.: finish (the last person should have made it by 6:00 p.m.)
- 8:00 p.m. award ceremony and a cozy end (from 7:00 p.m. catering in buffet form, which is also suitable for vegetarians, is included! The beer cart on the festival meadow can be bought yourself and is available for you.)

The organizer reserves the right to cancel or reschedule the race at short notice in the event of bad weather. In the case of weather conditions that make the race impossible, the organizer cannot accept any liability and, from an organizational point of view, unfortunately cannot reimburse the entry fee.

Sunday May 22nd, 2022

- 10am common downwind
- Depending on wind conditions between 12 and 18 km
- The route will be announced the evening before
- Please be at the starting point in good time

All routes driven are discussed in advance by the organizers and their surf and ocean professionals and communicated to all participants in a briefing. The aim will always be to be able to welcome all paddlers back to the finish line in good health, the DLRG will give everything for this.

Transport:

- Basically a shuttle service for boats is offered.
- The boats can be shuttled on the boat exhibitor's trailers for a fee of € 5.00. Pre-registration is essential!
- If the places are taken, the participants should help each other, as at any other event.
- The BUS passenger shuttle still needs to be clarified, as there will certainly be requirements.

Safety:

- The races are driven on the open Baltic Sea. Every participant is aware of the resulting dangers. Each participant starts at their own risk. The organizer assumes no liability for personal and / or property damage.
- Participants who have not yet reached the age of 18 need permission from their legal guardians.
- Every participant is obliged to help participants in need.
- The mobile phone coverage on the route for feedback to the race management is 100%. Communication between the race management, the support vehicles (water and land) and the participants takes place via the cellular network.
- At least 8 lifeboats will accompany the race. One boat is the lead boat with the first. A second boat will complete the field as the "finishing boat". The other boats will commute regularly between the tour and the end. The support boats can pick up participants in distress and bring them ashore on the direct route. From there they will be taken over by an escort vehicle. Rescuing participants in need has priority over securing the material.
- Participants who clearly miss the finish time of 6pm will be taken out of the race by the finish boat.
- Participants who have opted for the professional track when registering and who get off at the beginners track for personal reasons will have this time officially noted, but are considered DNF (Did not finish).
- All route points explained in the race briefing are to be bypassed, in the event of a clear violation, the participant will be rated DNQ (Disqualified). These points are also used as control points!
- In windless conditions, the routes are driven on a circular route, which is intended to prevent possible overloading. It is also an ecologically sensible alternative to avoid unnecessary shuttling in this case.

Safety equipment for all participants (MANDATORY):

- Each participant has to wear a CE certified life jacket with a minimum buoyancy of 50N. Restube can alternatively be used, but must be displayed when registering and the minimum buoyancy of 50N must be proven.
- Each participant always has a mobile phone that is ready for use in the water.
- The number is to be deposited with the race management with the registration.
- At least one person per boat must be leashed to the boat.
- A replacement paddle in the racing classes OC1, OC2, Vaá 1ér and 6ér is recommended.
- Each participant has to choose his clothing according to the weather and water conditions. We assume a water temperature between 10-15 degrees.
- Anyone who does not adhere to the safety regulations will be automatically disqualified! During the safety check at the start, a violation leads to exclusion from the race. Even a security breach, detected on the water or at the finish, leads to it.

Accommodation:

Please inquire about accommodation options on the Grönwohld campsite. The reservation of holiday homes, townhouses (in different sizes), caravans, glamping tents and sleeping cubes is to be made by the participants themselves by specifying the event (Baltic Sea Festival). Those who want to travel by car, bus, mobile home or caravan will also be provided with the space they need. Here, too, you register with the operators for your own needs and then get a convenient briefing.

Registration for the campsite only via <mailto:info@groenwohld-camping.de>. Make the request with your idea and also ask for an alternative.

Our goal and the main idea remain to accommodate all paddlers in one place!

Organizer:

Sportclub Berlin Grünau e.V. / 1.Outrigger Canoe Club e.V.

Contact person / event management: Robert Paries (01728736295)

Daniel Winter (01732100581)

Entry fee:

Every starter receives a welcome bag when they register on site. With start number, event shirt, a buffet voucher for Saturday and small surprises. A very good protection on the water by the DLRG is guaranteed.

- 60.00 euros per person
- 35.00 euros for juniors up to 18 years of age

After registration you will receive a payment request by email with the bank details and the payment date.

Registration opening: 01.01.2022

Registration deadline: 28.02.2022

- **If the starting places are not occupied by 02/28/2022, you can register until 04/30/2022, during which time the entry fee increases to € 70**
- **In the case of late registration on site, the entry fee increases to € 100**

If there are more than 300 boats, they will be placed on a waiting list. It is moved up according to the receipt of the report. Successors will be informed by the organizer at short notice.

We look forward to your numerous attendance and remain with a big one

ALOHA

Daniel and Robert
